About three weeks after opening his office he met a woman visiting here from New York and was married to her two weeks ago. The parade this year at the reunion is expected to be the greatest that the order has ever held, but there will be one feature missing which has held prominence in former years. No mascots will be allowed.

An order to this effect, emanating from Grand Exalted Ruler Herrmann has been promulgated by William J. Storck, chief of staff to Grand Esquire James R, Nicholson of Boston, who will be in command of the marching hosts of the antiered fraternity.
